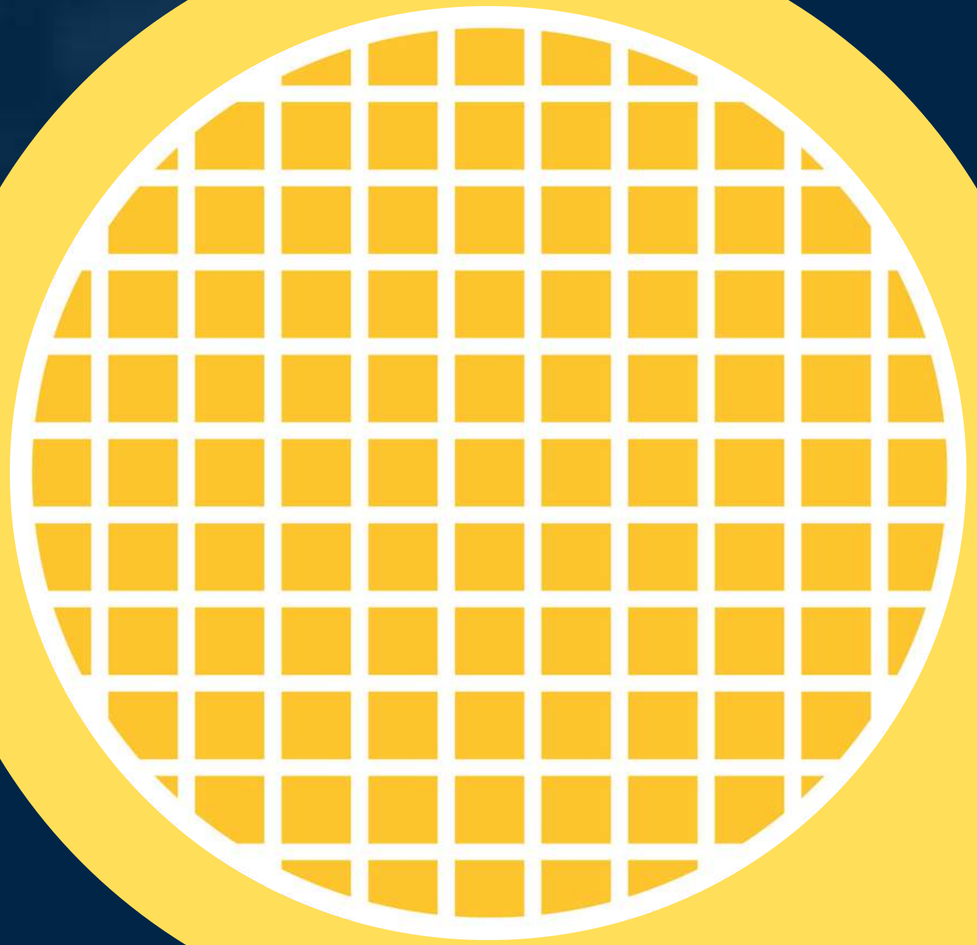
Welcome

KESM Industries Berhad

54th Annual General Meeting

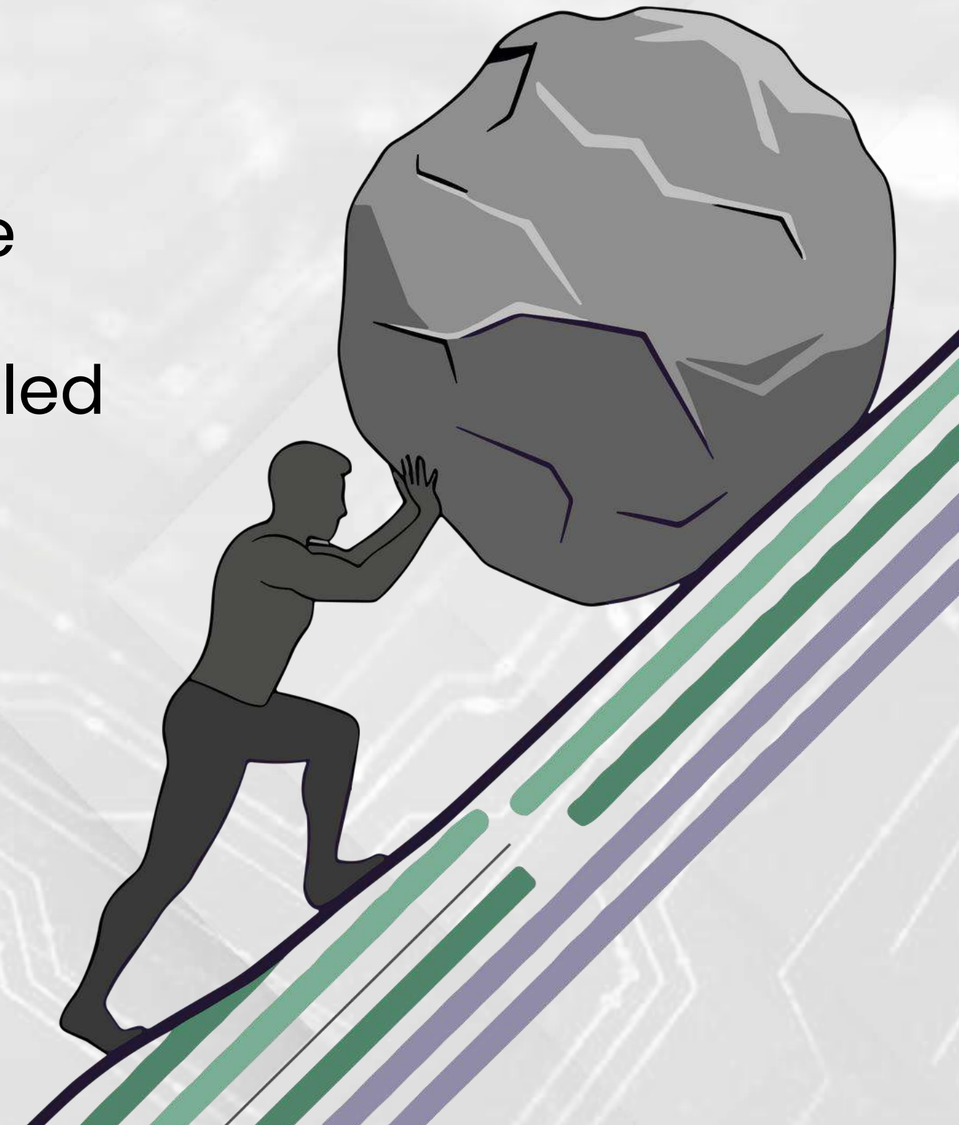
Sam Lim

Executive Chairman & CEO



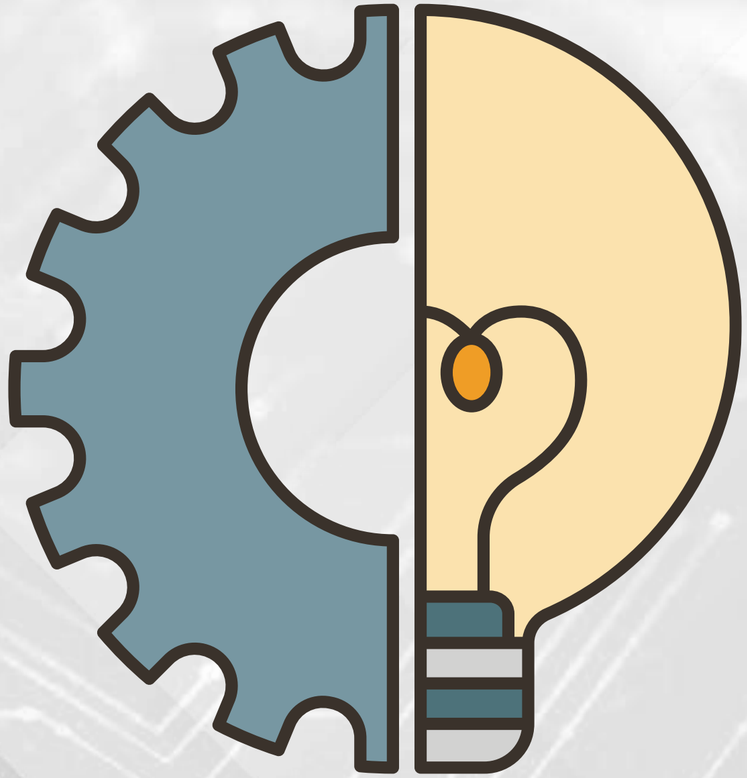
FY2025 : RESILIENT THROUGH CHANGE

- A Year of Renewed Challenges & Resilience
- The Full Year Ended in a Loss, but Q4 Signalled a Clear Turning Point



INNOVATION AND RELIABILITY
THE ROAD AHEAD

- Reliability Testing are Central to New Products for AI and Automotive Markets
- Achieved Global ISO27001 Certification, Giving Customers Greater Assurance that their Data and Information are Securely Managed



LOOKING AHEAD TO FY2026: POSITIONED FOR GROWTH

- Our Growth Strategy Remains Focused on AI-driven & EV Markets
- Expanding into Wafer and SLT Testing Services to Support These Growing Applications

Thank You
